Hello Everyone,

As a Parent Society Board Member we are able to vote on things that are time sensitive in nature via email. If 60% (or more) of the Board Members are in favour of the Motion put forward then the Motion will be carried. We will ratify the email vote at the next meeting and I will add the email vote as an attachment on the Parent Society Agenda and it will also be put into the Meeting Minutes.

I will always put the subject ' \*\*\*IMPORTANT EMAIL VOTE\*\*\* ' when I send out a motion through email, so that it catches everyone's attention. It is important to respond as soon as possible.

When you respond to the Motion, it is very important that you hit "reply all" and not just "reply". If you hit "reply all" then everyone the original email was sent out to will get your response. If you only hit "reply" then it will typically only go to 1 person (the last person in the email chain that responded). So, please make sure to always hit "reply all".

When an email motion is put out, there will need to be a "second" (the same way we pass a motion at the in person meetings). I will ask for the first person that responds to reply " I second" the motion to..... whatever it might be.

Everyone else will "reply all" and respond "in favour" (if you are in favour of the motion). If you are not in favour- then respond "not in favour"- it is your choice :)

Please reach out if you have any questions or concerns about email motions/ voting.

We need to approve the Meeting Minutes on the Parent Society side from last night to change the signing authority on the bank account at ATB. Please review the Minutes. Once the motion is passed I will take the Minutes to Myranda to sign, I will also sign them. Then I will take them to ATB to make the appropriate changes,

I, Brandi Filipchuk Motion to approve the October 16,2024 Parent Society Minutes as attached.

Can I please get a seconder.

Thanks, Brandi

Hello,

I am saddened to be writing to tell you that a family at our school has suffered the loss of a parent. The Lowe family lost their father/ husband Mike to cancer earlier this week. I would like to respect their privacy at this time, but also want to help out any way we can. There is currently a 'Go Fund Me' in support of the family, for people to donate funds to assist them. I would also like to give them a condolence gift of a \$200 gift card + sympathy card to show our support in this difficult time.

I, Brandi Filipchuk motion to purchase a \$200 gift card + sympathy card; total not exceeding \$210. I will purchase the card/ gift card for the Lowe family and then submit my receipts, to be reimbursed out of the fundraising account.

Can I please get someone to second this motion, everyone thereafter please reply 'In Favour'.

Please remember to hit 'reply all' when responding. I appreciate your timeliness in this matter.

Regards, Brandi

Jessie Duncan Elementary School Council <jdschoolcouncil@gmail.com>

Mon, Nov 18,  
10:21 AM (1  
day ago)

to Will, Ellen, Myranda, Laura, Laurin, Amber, Ashley

Good morning everyone,

I hope you all had an excellent weekend!

Our November meeting is only a few days away, but I wanted to put this out to the group and make a decision asap re: the Momentum Fundraising- Discount Card Fundraiser. I was waiting to hear back from PES if they were wanting to partner with us on this fundraiser; they passed a motion yesterday that they would like to participate. Again, the proceeds from this fundraiser would go towards the new Waskasoo Middle School Playground.

A few other questions that were asked and answered since the last email I put out about this are:

*Are there upfront costs for the cards (do we have to pay for the cards before selling them)?*

Answer: No, there is no upfront cost of the cards. However, when the company has them printed/ produced, the minimum that they print is 500. That is why they request a minimum of 250 card sales per fundraiser. Again, there is no upfront cost to us. We will collect all of the proceeds from this fundraiser and at the end Momentum Fundraising will send us an invoice for the number of cards sold and we will write them a cheque to pay them their portion of the proceeds. They have forms to track the sales.

*Will we have to wait to receive the cards after purchasing them?*

Answer: No, we will have the physical cards by the time the fundraiser would commence (beginning of January). That's why there's urgency in making a decision on this- once we commit, they will send a rep down to our area to secure the merchants and then get the cards in

production. If we want to have the cards for the new year, this has to happen as soon as possible.

With that being said, I Brandi Filipchuk motion to run the Momentum Fundraising- Discount Card Fundraiser in support of the new Waskasoo Middle School Playground. We will partner with Penhold Elementary School to sell the cards. A minimum of 250 cards must be sold between the 2 schools. Cards will be sold for \$20 each; we will receive half of the profit from every card sale (50% profit margin). Payment accepted will be cash, cheque and e-transfer. All monies will be deposited into our Fundraising account. The sale will run from January 6- 31/ 2025; with a possible extension (depending on sales). When the fundraiser is complete we will receive an invoice from Momentum Fundraising and pay them their half of the proceeds. The remaining amount will be given to PES (in support of the new playground). Momentum Fundraising and PES will be paid by cheque from our Fundraising account.

Can I please get the first person to reply to "I second" the motion to run the Momentum Fundraising- Discount Card Fundraiser in support of the new Waskasoo Middle School Playground.

Everyone else, please reply "in favour" (if that is your decision).

Please remember to always hit "reply all" when responding.

Thank you for your urgency in this matter.

Regards,

Brandi

PS- I have attached the Momentum Fundraising- Discount Card info document again for your reference.

I think this will be a great fundraiser, I don't think there will be an issue getting this amount sold. Lots of people enjoy supporting local, and I think the value of the card for what it is has to offer is well worth the \$20

I Ashley, second the motion to run the Momentum Fundraising- Discount Card Fundraiser in support of the new Waskasoo Middle School Playground.
